March 2019

Dear Friends,

Flexibility & Fluidity!

The congregational survey we had last fall by the Holy Cow Consulting suggests that we are encouraged to practice flexibility and fluidity for all our decision-making process in the church life. The pastoral transitions are the elephant in the room which we face, and we ought to be flexible in our ministries. We are not to be overwhelmed with needs but satisfy with what we have and be thankful for all God's blessings.

March brings the spring season and the most important church year, Lent. The Lenten journey invites us to the wilderness where we seek Jesus in his death and resurrection. The road to wilderness brings our total senses alive. It is good to be spiritually hungry and thirst for water. Seek and we shall find the Word of God and streams of water.

The fluidity of water flows into the lowest of valley where the humility resides.

Peace,

Paul Junggap Huh

PASTOR NOMINATING COMMITTEE UPDATE

The Presbytery of Mid-Kentucky has given the church permission to elect a Pastor Nominating Committee (PNC). This is the group that will seek a new pastor for the congregation and nominate that person to the congregation for approval. The church's standing committee on nominations, chaired by April Davenport, is in the process of seeking those who are willing to serve on the PNC. Once they have a slate of names, we will call a meeting of the congregation to elect the PNC, and they will begin their work of seeking a new pastor.

HBPres – NOTES FROM SESSION

HBPres VISION STATEMENT

Harvey Browne Church is a community of Believers that glorifies God and honors tradition as it seeks new ways of growing in faith, sharing our beliefs and putting our faith into practice.

HBPres PURPOSE STATEMENT

HBPres is called to make a difference by making disciples who faithfully follow Jesus, study the Bible, and love one another by serving our neighbors.

The Session of **HBPres** met on Tuesday, February 5, 2019 for a stated meeting in the Session Room. Following a devotion led by Margaret Lindsey, the following business was handled:

- Julie Rousseau, Director of Parents' Day Out, gave her yearly report.
The Commission on Ministry of the Presbytery has given permission to **HBPres** to select our Pastor Nominating Committee. If you have nominations please send to April Davenport at: april.davenport@pcusa.org.
- John Johnson gave the financial report.

Approved two motions regarding changes in two Endowment funds:

1. To re-direct the distribution from the Combs Fund to a fund for Leadership Development.
Explanation: This is the smaller fund that currently gets deposited in the Minister's Benevolence Fund. The MBF receives distributions from 4 of the 13 endowment funds and is overfunded. The Leadership Development Fund will cover expenses such as session retreats and training.
2. To re-direct the distribution from the General Endowment Fund to the budget rather than the Facilities Reserve Fund.
3. **Explanation:** The General Endowment, which is unrestricted, was expected to be used for Emergencies until such time that it was needed for routine expenses. Another fund does go to Facilities Reserve and we feel that reserve is in good shape and the distribution now needs to be used to help cover our annual expenses.

Approved 2019 budget.

Approved Covenant to Share Facilities Between Harvey Browne Presbyterian and Korean Presbyterian Churches. Korean Presbyterian Church will have exclusive occupancy and autonomy for the Chapel and the rooms in that area beginning June 2019. This will give KPCL a place for their church home. It is our hope this will also help in building relationships between our churches.

Approved into membership, in absentia, by reaffirmation of faith: Daniel Huh, Faith Yoon Huh, and Rebecca Une Huh.

Bob Roberts reported Barbara Bailey is retiring as Preschool Director and the Preschool Board has begun its search for a new director.

Anne Hughes elected Commissioner to the February 16 Presbytery meeting at Anchorage Presbyterian Church.

HAVE A BIBLE? TAKE A BIBLE!

In the Great Harvey Browne Storage Inventory of 2019, we have discovered a surplus of Bibles. We have a few ideas for giving them away, but our first offer is to members of the congregation.

**Bibles will be available in the Foyer
before and after church on March 10 & 17.**

There are several translations, both paperback and hardcover.

Feel free to help yourself.

On the other hand, if you have more Bibles than you need at home, and are concerned about discarding them, bring them in and leave them on the same table. One of the places where we will donate the Bibles will take any translation, any condition, and they will also take Biblical references, so bring in your concordances, commentaries, Bible dictionaries and atlases.

DEADLINE FOR SUBMISSIONS TO THE APRIL NEWSLETTER IS FRIDAY, MARCH 15

PRESCHOOL ANNOUNCEMENT

Dr. Barbara Bailey's Retirement

It is with deep gratitude, but also sadness that the Preschool Board announces that Dr. Barbara Bailey will be retiring at the end of this school year. Barbara has been the Director of the Harvey Browne Preschool since 1987 and under her leadership the preschool has achieved a reputation as one of the finest preschools in Louisville. Under Barbara's guidance thousands of children have received the highest quality education in a Christian environment that honors and respects each child. We are indebted to Barbara for her 32 years of service, leadership, commitment to the education and well-being of children and to the ministry of Harvey Browne.

The Board has begun the search for a new Director and is actively interviewing candidates at this time.

PRESCHOOL NEWS

Thank you to our tremendously creative and dedicated parent fundraising committee and all our volunteers for your work on the Preschool's Annual Trivia Night. It is fantastic when you can have so much fun and raise money for such great causes – the Preschool's tuition assistance program and classroom educational materials. Thank you again!

We want to also express our thanks to everyone that helped support our February mission project benefiting Forgotten Louisville and the Center for Women and Families. The donations of diaper, wipes and formula will be put to immediate use.

If you are in the halls of Harvey Browne March 20-21 prepare to see hundreds of beautiful smiling faces! Class pictures are being taken at the preschool.

And if you are in the halls of Harvey Browne during the week of April 1-5 don't be concerned if it seems incredibly quiet. It is just Spring Break and all our beautiful, energetic and vocal little ones will be back the next week.

If you, or someone you know, is still looking for a preschool for the 2019-2020 school year it is not too late. The Preschool still has few openings and we would love to have your child join us. We have preschool classes for children 2½–Kindergarten along with an early bird program that begins at 8:00 AM and the Great Minds program that goes until 3:00 PM. There are several options available to fit your child's needs. If you have any questions or would like to schedule a tour, please contact Anne Hughes or Barbara Bailey at (502) 895-2577. You can also visit our website: www.harveybrownepreschool.org.

Thank you to the entire Harvey Browne congregation for your continued prayers, love and support of the faculty and families at the Preschool. We are truly blessed to be part of Harvey Browne's ministry.

In Christ,
The Preschool Board

HBPres – EVENTS

SPRING HOSPITALITY NIGHTS

The weather is getting warmer, and hopefully drier! It is time to resume our next round of the Hospitality Night dinners in members' homes. We will be posting a news item in upcoming "Good News to Go" sheets in the Sunday bulletin regarding the next date and signups.

The Hospitality Night dinners consist of small potluck style dinners held at various members' homes. Usually 6-8 guests are assigned to a house for a particular date. The host makes contact with their group, provides directions, and provides the entrée and beverages. The guests volunteer for specific side dishes and dessert.

Often times the dinners are scheduled for Sunday evenings around five or six o'clock and last for a couple of hours. It is a wonderful way to meet HBPres members that have been members a long time and those that have just joined.

We are always looking for new people to host a site. You can do it as a couple or two or three members can work together. Meals don't have to be fancy. Some of the past favorite meals have been cookouts, spaghetti, soup, and chicken. Occasionally hosts will pick a favorite family food entrée or match up their meal to an upcoming season such as Easter or Derby. If you are interested in hosting during our next round, contact Jim Boswell or Joni Burke for details or to answer questions.

CAPITAL IMPROVEMENTS MADE POSSIBLE BY GENEROSITY

By Maggie Chilton

On any given day in 2019 you may have seen trucks in the parking lot. Much has been going on – happily, all of it expected! Our new chiller arrived on January 24, and it was hoisted to the roof by a crane! All of our windows have been replaced, with work finishing up in late February. And by the time this newsletter arrives in your mailbox, we expect that the stained glass windows in the chapel and the lobby will have been repaired and protected with plexiglass. These major improvements have been entirely underwritten by targeted gifts and bequests as well as income from endowment funds.

Our stained glass windows are being repaired from the inside and outside.

Our new chiller being lifted by a crane on January 24.

HB PRES – MISSIONS & OUTREACH

The Mid-Kentucky Presbytery is aiding the PC(U.S.A.) Presbyterian Disaster Assistance(PDA) program by assembling hygiene kits for use in disaster relief efforts. The effort coincides with Louisville, Kentucky mayor Greg Fischer's annual Give a Day Week of Service initiative.

All 53 congregations and new worshipping communities in the Mid-Kentucky Presbytery are encouraged to be involved in collecting items for Hygiene Kits and participate in the assembly day May 18th. Many other groups will be helping too.

During the month of April our grocery cart will be accepting 2 of the 7 items needed for these kits. The items most needed are these:

- 1" Adhesive strips/Band-aids
- hand towels (no larger than 16"X28")

This year the goal is to make 1500 kits. Ten adhesive strips/Band-Aids are placed in each kit which means 15,000 are needed. One hand towel goes in each kit. We are not responsible for providing all of these but want to help do our part. More information about dates and places will be in the April Newsletter.

With Fred Bennett's help finding nail clippers for a reasonable price our HB Presbyterian Women are donating 500 nail clippers needed for the kits. Thank you PW and Fred!

A LETTER OF THANKS FROM CABBAGE PATCH

January 28, 2019

Dear Linda & Harvey Browne Presbyterian Church Members,
We want to thank you for supporting the Cabbage Patch Christmas Basket Program. This year we were able to assist 73 families (254 individuals).

One of our families sent us a very nice thank you card after Christmas. In the card the parent wrote, "I am eternally grateful for all the experiences and love that my grandson receives at the Cabbage Patch." This grandmother is only one of many parents that we have heard from since Christmas. Many of them had no idea of how they were going to afford to purchase any Christmas gifts for their kids/grandkids prior to receiving a phone call from Family Services about our Christmas Assistance Program.

On behalf of our staff and the families that we serve, we want to thank you for supporting the Cabbage Patch's Christmas Assistance Program. Your kindness and generosity has reminded our families that they have not been forgotten.

Please remember that the work of The Cabbage Patch continues throughout the entire year. If you would like to volunteer, collect food/school supplies to help Path families, or help out in some other way, please contact us at the numbers below.

HBPres – GIVES THANKS

THOUGHTS & PRAYERS

I want to thank my **HB** family and friends for your caring thoughts and prayers during my recent total right knee replacement surgery! Thanks, too, for supporting Adrian, my "Coach" and chief cook & bottle washer!

Love,
Lynn Cole

A WARM WELCOME

A short note of thanks to the congregation of Harvey Browne:

Thank you for receiving me so warmly and inviting me into your family. I hope to get to know each of you and see you as we interact in the future, and look forward to knowing everyone's names!

THANK YOU HARVEY BROWNE

To all **HBPres** members,

The staff and stewardship committee want to thank you for those who turned in their pledges for the up coming program year. Your time, talents and money will be put to good use for helping with the operation and programing of Harvey Browne. There are still pledge cards from members that have not been turned in to the church. It is the hope of the budget committee that those who have not turned in their pledges will do so in the near future. It is very crucial that the church receive as many of the pledges as soon as possible so they can finalize the 2019 budget.

Again I want to thank you for all you do to make **HBPres** a great place to worship.

Brad Zuber
