Everyday is Thanksgiving Day

Dear Friends,

Framed as it is by the candy and costumes of Halloween on the one side, and the extravagances of Christmas on the other, the holiday of Thanksgiving might seem to be in danger of getting lost in the shuffle. But of course that is not the case. Thanksgiving is a favorite holiday for many of us, precisely because it is simpler, quieter, a time to reflect and give thanks.

For us as Christians, Thanksgiving Day is a time to reaffirm what we know to be true: that for us every day is a thanksgiving day. Every day gives opportunities to be alert to the blessings of God and to give thanks to God for those blessings.

The service of the renewal of baptism puts it well: "Remember your baptism and be thankful." To be baptized, to follow Christ, is to live in thanksgiving at all times.

One of my favorite quotations from the 20-th century theologian Karl Barth speaks of thanksgiving. Barth was not naïve; he lived through two world wars. Yet this is what he wrote:

The Christian is the most alive of all people. The Christian is the one who will always be the most surprised, the most affected, and the most joyful in the face of events. The Christian will not be like an ant which has foreseen everything in advance, but like a child in a forest, or on Christmas Eve; one who is always rightly astonished by events, by the encounters and experiences which overtake us. If we may put it this way, life in the world, with all its joys and sorrows and contemplation and activity, will always be for the Christian a really interesting matter, or, to use a bolder expression, it will be an adventure. Ultimately the Christian will always be thankful, and in the light of this thankfulness will look forward to what has still to come.

May all your days be filled with thanksgiving for the mercy and love of God.

Peace,
Bill

Thanks To:

Betsy Frentz and Kathy Williams and all the Food Truck Friday crew for battling bad weather and still making this year's Food Truck events special for everyone!

Lucy Rapp, who folds letters for congregational mailings and gets them ready to send out.

Dear Harvey Brown Presbyterian Church staff and members,

My family and I greatly appreciate the efforts regarding the arrangements of the passing of my late husband, Halbert Nelson Cole. The gifts of prayers, thoughts, concern, love, support, and food we have received over the past several weeks have been blessings. We have been overwhelmed by all of the ways in which you helped us through this journey. Your willingness to make the memorial service and the reception so meaningful, as a witness to the resurrection and as a celebration of the life of my very dear husband, will always be remembered and treasured.

Peace Be With You All,
Barbara Graves Cole

"We recently concluded our Food Truck Fridays for 2018. Despite bizarre and extreme weather conditions, we did it." More neighborhood families attended this year and new faces!

We are forever grateful to the faithful and amazing volunteers. Thank you so much.

Any thoughts and suggestions for next year are always appreciated.

Thanks,
Betsy Frentz and Kathy Williams

Preschool Families Share

When you are asked to write a paragraph about Harvey Browne Preschool, you wonder just how you write this paragraph so that it adequately conveys all of your loving feelings for this wonderful school. After all I was a teacher at Harvey Browne for 18+ years, I subbed for 2 years, and I have watched two of my beautiful grandchildren enjoy the confines of this amazing school, one of whom is still there. The old adage, it takes a village, is sincerely at work at Harvey Browne. It starts with a group of truly talented teachers who genuinely love the children they teach. These ladies come in everyday ready to meet the needs of the children in any way that they can. The love, the care, and the respect they show each and every child is without a doubt amazing.

Then there's the leadership that guides Harvey Browne. The school is competently run, always challenging the teachers to try new techniques, programs, and ways to best educate the children. All of this is supported by a school board who will stop at nothing to carry on the exceptionally long standing reputation of this school. Then there are the parents and children themselves. I can say without question, Harvey Browne Preschool has some of the most supportive, helpful and kind parents that other schools fade in comparison to the Harvey Browne families. All of these outstanding elements are supported by a faith based atmosphere provided by the church, **HBPres**. So you see Harvey Browne Preschool really is a loving village of wonderful people. What a blessing not only to me but to all who attend!

Kroger Community Rewards Benefit the HB Youth Program!

Did you know that over 100 HB families earn money for the **HBPres** Youth Program every time they shop at Kroger? About \$2500 is received each year from Kroger because HB members have enrolled in the Kroger Community Rewards program and chose Harvey Browne Presbyterian Youth Program as the organization they want to support. The only requirement is that you scan your Kroger Plus card.

There is no cost to participate; just enroll one time, and you are done! This is free money to support our youth program!

Are you participating? There is an easy way to find out. Look at the very bottom of any Kroger receipt. If you see the message "Kroger Community Rewards – At your request we are donating to Harvey Browne Presbyterian Youth Program", you are supporting our youth each and every time you use your Kroger Plus card for groceries! Thank you!

As we enter into our Stewardship campaign, enrolling in the Kroger Community Rewards program is a small action each of us can take to raise funds for our youth programs each time we shop at Kroger. Each new participating family will add to this fundraising effort. How many HB members can enroll in the Kroger Community Rewards program during this Stewardship campaign? 10, 15, 25 or maybe 50?

Call Portia Brittain at 593-7159 or see her in the foyer after church for easy instructions to enroll.

Preschool News

Where did October go? In the blink of an eye it seems like we have moved right through fall and into the holiday season!

The children enjoyed learning all about fire safety from the St. Matthews fire fighters and parents and children had great time at the Preschool Open House. Halloween is always special with wonderful stories, decorations and class parties. We were able to share the fun with some of the nursing home residents next door with some of the children visiting in their adorable costumes. Halloween is definitely a holiday enjoyed by all ages!

Terry Hargrave is doing a wonderful job leading our children in Chapel which is a very special time for the children. They love listening to the bible stories shared and taking turns leading the music. We are blessed to have Terry guiding us and demonstrating God's love to our children.

Building on the message of sharing our love with others, the Preschool's next mission project will be cleaning out toy boxes and donating toys to the Wayside Christian Mission. Parting with much-loved toys can be difficult for children but they recognize the joy that their toy can bring to another child less fortunate. (And we know that many parents really appreciate the opportunity for some pre-Christmas purging!)

Thank you to everyone who helped make our sippy cup collection for the Kentucky Refugee Ministry a success. We will continue collecting used Crayola markers for our year-long recycling project.

As a reminder, parent-teacher conferences will be held November 5 and 6 and we hope to see all of our parents there.

Thanksgiving break is November 19th to 23rd. During this time dedicated to "giving thanks" we stop and remember how truly fortunate we all are. We are so grateful for our preschool families and the love and support received from Harvey Browne congregation.

In Christ,

The Preschool Board

SFC Committee Year in Review 2017-2018

HBKids have met once a month and taken part in a number of fun activities! In the fall we visited Mulberry Orchard for pumpkin and apple picking! In November we provided a parent's night out to give our parents the opportunity to spend time together while the children played together as a group. In December, we focused on relationship building with our Advent Buddy program. This is a fun program that helps our older church members form a positive relationship with our **HBKids**! We also took a full bus of **HBKids** and their parents to see Lights Under Louisville followed by cookie decorating and hot chocolate. As you can imagine, it was a hit!

In the cold month of January, we packed the gym with our movie night. **HBKids** and their parents were treated to a night of games and snacks followed by a movie on an inflatable screen! In February, we focused on giving back to our local community by creating Valentine's Day cards and goodie bags for Forgotten Louisville. In March we held our annual pancake breakfast and Easter egg hunt. To say the least, we hid A LOT of eggs! In April we partnered with **HB Tweens** to offer a day of rock climbing at Climb Nulu. It was a hit with our families and everyone enjoyed the pizza and snacks for lunch!

We ended the year with our Vacation Bible School in June. The focus was on Habitat for Humanity and we had over 70 young children take part in a fun week filled with crafts, singing, learning about God, and snacks!

HB Tweens have met twice a month for the past year. They have also participated in the Presbytery Tween overnight event and Tween camp in May. During their time together, they have bonded as a group, learned about the parts of worship (especially about being an Acolyte, thanks Julie Rousseau), and put together care packages for the college students. This group really enjoys being together!

HB Youth have met twice a month for the past year to bond as a group, play together, learn together, and help others, especially serving the homeless once a month with The Forgotten Louisville group - thanks Scott and Kathy Doelling. During the summer, the Middle School Youth group participated in mission work around the Louisville area becoming familiar with opportunities in the area to serve. They also attended the Montreat Middle School Conference at Maryville College in Tennessee. The High School Youth went to Gatlinburg to work and serve the people in that area. It was meaningful, especially working with one particular family. They also attended the Montreat Youth Conference at Montreat. Both Middle and High School Youth have led the worship service twice this year helping them to become better leaders and understand the parts of the worship service.

We thank Terry Hargrave and all of the volunteers who took the time to share God's love with our **HB Tweens**, **HB Youth**, and **HB Kids**!

Notes from Session

HBPres Vision Statement

Harvey Browne Church is a community of Believers that glorifies God and honors tradition as it seeks new ways of growing in faith, sharing our beliefs and putting our faith into practice.

HBPres Purpose Statement

HBPres is called to make a difference by making disciples who faithfully follow Jesus, study the Bible, and love one another by serving our neighbors.

The Session of HBPres met on Tuesday, October 2, 2018 for a stated meeting in the session room.

Following a devotion led by Pam Bliven the following business was handled:

- Welcomed into membership Rob & Barbara Davis and welcomed back to active roll Vivian Smith.
- Holy Cow surveys have started. Session will meet on December 11 with the Transitional Committee to review survey results.
- Tim Healy, Marcia Lewis and Brad Zuber are this year's stewardship committee.
- Approved the following recommendations from Personnel Committee:
 1. To continue existing health care benefits for current employees in 2019.
 2. To pay health care benefits for future full-time employees only (anyone hired after October 1, 2018) Employees would be required to pay the additional cost for family. Members covered with the PC(USA) Board of Pensions plan.
- Approve recommendation from Worship & Music Committee to have Christmas Eve services at 5:00 and 11:00 this year.
- Scott Doelling, Anne Hughes, Eric Lehmann and Gary Luhr attended the October 23 Presbytery's Lunch & Learn to learn more about the Presbytery's MissionSite. Saturday Men's Group Meets on November 17

The Saturday Men's Bible study meets on the third Saturday of each month (except in December) to study the scriptures and enjoy fellowship. Breakfast goodies are also provided. You are invited to attend and to bring a friend. Call Bill Williamson (896-1791) for additional information.

Bookanalia

Bookanalia for November will meet a week early due to Thanksgiving. On November 14 at 6:30 PM in the Barret Room Sarah Grant will discuss *Killers of the Flower Moon: The Osage Murders and the Birth of the FBI* by David Gann. After oil was discovered on their reservation in the 1920s, the Osage became some of the richest people in the country. Then there began to be a series of unexplainable deaths. Local law enforcement was not able to solve the mystery. The FBI, under their new leader, J. Edgar Hoover, was called in. The reporting in the book is riveting, both of the horrific tragedies occurring to the Osage nation and the evolution of the FBI as they uncovered the truth of what was happening.

All are welcome whether you have read the book or not. If you buy your book at Carmichael's, mention Bookanalia at HBPres and receive a 20% discount.

Men's Book Forum

The Harvey Brown Men's Book Forum will be meeting Monday, November 26 at 1:00 PM at the church in room 206.

We will be reviewing *The Best And The Brightest* by David Halberstam recommended by Jim Hickey.

Hope to see you there.

Gary Faltin

Booktalk

Booktalk for 11:30 AM in the Barret Room on November 27 will be *The Curious Charms of Arthur Pepper* by Phaedra Patrick. If you buy your book from Carmichael's, mention Booktalk at Harvey Browne and receive a 20% discount.

Invitation to the Next Beloved Community Planning Meeting

You're invited to be a part of the next Planning Meeting with Shawnee Presbyterian and other churches in our Presbytery. We will be planning for the direction we will take in facing the local issues of race, poverty and justice in our community. Joining us will be Alonzo Johnson, director of Self Development of People, at the Presbyterian Headquarters. He leads workshops on race and justice at churches country wide. We will meet at HBPres on Saturday morning, November 17 at 9:30 in Eline Hall. For more information contact Sally Craxton.

Circle A presents book in memory of Mary Faltin

The members of Circle A have donated the book, *Tribe*, written by Sebastian Junger, to the HBPres church library. The book was given in loving memory of their member, Mary Faltin, who passed away this summer.

Mary loved to read and was involved in several book clubs at Harvey Browne. This book was one of her favorites.

“Combining history, psychology, and anthropology, ‘*TRIBE*’ explores what we can learn from tribal societies about loyalty, belonging, and the eternal human quest for meaning. *Tribe* explains why we are stronger when we come together, and how that can be achieved even in today’s divided world.”

In Memory of Mary Faltin

Mary Faltin was a member of the PW Coordinating Team and a founding member and long time leader of Ladies Booktalk. Both groups wanted to do something special in her memory. Since Booktalk has used many book kits from the Louisville Free Public Library (LFPL) that seemed ideal.

A book kit consists of a leaders guide and ten copies of the book and are used by book clubs throughout the area. The cost of a kit, \$250, was collected and donated to the LFPL Foundation for a kit in Mary's memory. Additional money collected will be donated to the church library in Mary's name.

Outreach Report

Outreach and Mission Committee Annual 2018 Report

Harvey Browne has a long tradition of outreach and mission. We are called to be the hands and feet of Christ and to share His gifts of redemption and grace with everyone.

As our mission year is coming to a close, the Cabbage Patch Christmas Basket project is just gearing up. Greatly embraced by the congregation, this project will bring Christmas to 20 families and their children as they work toward self-sufficiency.

This year several new projects have been adopted, along with new coordinators; Family Scholar House (Linda LaFrance), Hildegard House (Diane DeLong) and Behind Bars and Beyond (Joanne Heumann). The **HBYouth** have also embraced Forgotten Louisville (Scott Doelling), providing direct service to the homeless. Family Scholar House offers housing and guidance to families where the single head of household is completing a college degree. Hildegard House serves people under hospice care who have no family to care for them. Behind Bars and Beyond provides a small team of women to give counsel and guidance to women leaving incarceration so that their transition into society will be successful and recidivism will be reduced.

Summer 2018 was also unique as OMC hosted and/or participated in six different receptions for mission co-workers and visiting foreign pastors. Listening to these professionals allowed us to become more in tune with the exciting work that the Presbyterian church is doing globally, how these works benefit developing countries and their people, as well as the progress made in global evangelism.

Due to the amazing generosity of this congregation Outreach also continues to support charities and projects through our budget, special offerings, micro-missions and the Presbyterian Women's Grocery Cart. These organizations include PC(USA) World Mission and our mission co-workers, Habitat For Humanity, Presbyterian Disaster Assistance (PDA), Presbyterian Hunger Program (PHP), Cabbage Patch, St. Matthew Area Ministries (St. MAM), Portland Presbyterian, Wayside Mission, WaterStep, Dare to Care, Centerstone/Bellewood, Beloved Community, House of Ruth and Food Truck Friday. We also support Mid-Kentucky Presbytery with our largest budget line item of \$45,000. Many additional charities are supported by HB members through their own volunteer activities.

The Hunger–Justice–Earth Care Ministry Team continues to serve through additional avenues. The Red Hands Project every February seeks to reform world policy on child soldiers and “wives” through the annual February petitions. Our April Bread For the World Offering of Letters seeks to promote legislation that serves the most hunger, here and abroad. The March Hunger Dinner as well as the May and Sept. yard sales raise much needed funds for hunger development projects through Presbyterian Hunger Program (PHP). And our Advent Fair Trade Craft Fair helps to raise wages of coffee and cocoa growers and well as artisans in developing countries. Although most of these products are sold at what we pay for them, the profits that are made go to support Build Congo Schools. In a very rainy Congo, thatched-roof schools have their obvious problems. The schools now being built are concrete structures, built with local labor and completed on time and within budget. Schools built today are twice the size as previous schools since, once a new school opens, twice the number of students show up for school as were previously enrolled.

(Continued on next page)

From Outreach and Hunger Justice, blessings to all for your support and generosity.

If any of these projects peaks your interest or you have questions, please do not hesitate to contact any member of the Outreach Mission Committee or Hunger Justice Earth Care Ministry Team.

OMC members: Dan Askins, Emily Brown, Sally Craxton, Betsy Frentz, Linda Garrett, Pam Glaze (chair), Joanne Heumann, Carolyn Judy, Veda McClain and Jonathan Sutphin.

Hunger-Justice-Earth Care Ministry: Emily Brown (chair), Jane Dyer, Pam Glaze, Nancy Hilbert, Mary Kemper, Veda McClain, Barbara Noland, Lucy Rapp, Linda Schoolcraft, Barbara Stephens.

Annual Craft Fair and Coffee & Chocolate Sales are Coming soon!

The Craft Fair will be a little later this year— Sunday, December 2 (First Sunday of Advent). As usual the majority of crafts will be fair trade, but there will be some others from Egypt and other countries as well. We would also welcome something made by a member of the congregation.

Coffee and chocolate will be on sale beginning Sunday, November 25. All proceeds will go to Build Congo Schools. Last year, we contributed \$1,466!

HBPres Grocery Cart

Grocery Cart donations for both November and December will be included in Cabbage Patch Christmas Baskets. Items most needed are:

Paper goods—toilet paper, paper towels, facial tissue

Soap products—dishwashing liquid, laundry detergent, bar soap

Please have all items in the Cart by Friday, December 16. Anything given later will go to St. MAM. For questions/concerns, contact Wilma Bennett (459-7705).

Final Report on PHP Projects

As a reminder, a summary of each of our PHP projects for 2018 is presented below. Our final tally from the yard sales was **\$1600** and a sum of **\$800** will be sent to each country. While \$800 does not seem like a large amount in the U.S., it goes a lot further in an underdeveloped country and can translate into making ongoing structural changes in fighting hunger and poverty.

Guatemala – Alliance for International Reforestation: Rural families have been pushed to farming food crops on mountain slopes over several decades because the rich farmland in valleys has been taken over by corporations for export crops – onions, melons, broccoli, carnations and roses. This injustice means that the food crops are often planted in unsustainable ways such as slash and burn farming on steep mountain slopes. The impact on people and farming has resulted in soil erosion, frequent mudslides, diminishing crop yields, malnutrition, loss of tree and animal habitat, and an impact on climate change as forests disappear. There is also a psychological impact on Mayan families as they see massive deforestation but feel powerless to farm and feed their families in other ways.

The project will address these issues through reforestation and farmer training by Mayan technicians.

As such, it will:

- add 4 new community groups with 10 families each to receive training
- establish 4 new permanent tree nurseries for native trees including fencing, seed bags, seeds and tools
- establish a native tree nursery and organic vegetable garden at the local rural schools
- improve health and nutrition for families in the 4 community groups as well as for their neighbors who will learn and copy the new farming methods and begin planting trees.

The Alliance is determined to address the causes and not just the symptoms of hunger and malnutrition, and environmental devastation which is why AIR teaches families for 5 years in their own communities and fields.

Nicaragua – Association Fenix – This NGO works with the Minister of Education in Nicaragua on the establishment of agro-ecological gardens as an educational tool for food security and environmental education in 4 rural schools. Vegetables will be produced to complement the school snack. The school will receive agricultural implements and tools and water systems will be installed to ensure the irrigation of the crops. Areas will be developed in the schools to store products as well as kitchen areas for preparing meals. A training plan will be implemented to generate changes in attitudes and behavior regarding the environment and food. It will promote sustainable produce, nutrition and good environmental practices.

Muchas gracias! Thank you for your support!

Rich, flawed and female...

Louise Marshall was an unconventional hero. She neither sought nor received medals, but she saved hundreds of people from certain ruin and changed tens of thousands more lives for the better.

For 70 years, she used love, not legislation, to foster pride, self-respect, and character in people who loved, admired, and hated her - often at the same time.

Powered by a conservative faith, Louise Marshall built an institution, the Cabbage Patch Settlement, which still uses her methods to attack today's most difficult social problems.

HBPres will host a reception to review the book, *The Two Lives and One Passion of Louise Marshall*, by Linda Raymond and Bill Ellison. Louise Marshall was the founder of the Cabbage Patch. She inspired the lives of many Patch families over the 70 years she was involved. It is a true legacy of love and faith. The event will take place right after worship on November 18 in Emory Hall. Light refreshments will be served. We hope you will join us for the presentation. Bring your families. Linda and Bill are great story tellers. For additional information, contact Linda Garrett, Cynthia Frentz or Kelly Burke.

Presbyterian Women

Presbyterian Women Thank Offering

The PW Thank Offering Dinner will take place on Wednesday, **November 7** at 5:30 PM. It will be part of the regular Wednesday night dinners, but you can make a Thank Offering donation if you choose. The Thank Offering funds programs that provide education, safe housing, clean water, health care, justice for women, and other projects. After dinner at 6:30 PM, Valery Nodem, head of the PCUSA Hunger Program will speak in the Session Room.

The “Thank Offering to our Lord” was created in 1888 by Eliza Clokey of Springfield, Ohio, urging each woman to give one dollar over and above her usual contribution to the Women’s General Missionary Society of the United Presbyterian Church in North America. Since then, Presbyterian women have granted support to thousands of ministries worldwide and raised millions of dollars for mission.

Last Chance to Have Your Picture in the New Directory

It is time to update our photo directory. It has been almost 5 years since the last time we had pictures taken for our last directory. Since then have had new families join, there have been weddings, babies, and kids who are now young adults. We're changing, and a new photo directory will reflect these changes and allow us to connect names and faces and stay connected. We also will have a new pastor soon, and what better way to help them learn who are members are than by handing them a new, updated directory.

We need to make sure that all days are filled up so that they don't have to cancel on us. Members of Harvey Browne are not the only ones that can have their pictures taken. Friends, family and neighbors are welcome to come in and have their pictures taken too. They will not be in the directory but they will still receive a free 8X10 picture.

You are invited to participate in our upcoming professional photography session. To schedule your appointment, visit our website: <http://hbpres.net/new-directory/> and click on the link to be taken to the sign-up page. This will take you directly to the website where there will be directions on how to sign up. If you are unable to sign up online, call Cheryl Granger in the church office and she can do it for you. Everyone who signs up for January pictures gets their name in a drawing for a Lifetouch gift card!

Photography dates:

Wednesday—Friday: January 2-4 from 2:00 PM to 7:50 PM

Saturday, January 5 from 10:00 AM to 5:00 PM
