Welcome to HBPres!

HBPres is a community of believers who share God's grace and an abiding love for Jesus Christ, seeking to be grown through worship and study, recreation and fellowship, service to others and loving care for one another. If you would like to learn more about the community here at **HBPres**, please contact our pastor, Rev. Christine Coy Fohr (christine@hbpres.net). To sign up for our weekly email or monthly newsletter, contact Chrissy Barroso (chrissybarroso@hbpres.net).

Harvey Browne Closed May 23-28, 2022

We have some major repairs to the buildings sewer line that will be done the week of May 23-28. Because of the nature of the repairs, there will not be any running water in the building and the bathrooms cannot be used. Any water that runs through the pipes could cause issues with the repair being done so we cannot have anything dumped down the sinks or fountains. Staff will be working from home so the best way to contact staff during this time is to send them an email. A list of staff and their emails can be found on our website: <https://hbpres.net/about-us/> If you have a pastoral emergency, please call (502) 208-8472 and leave a message. Christine will return your call as soon as possible.

Food Truck Friday Is Back!

We will celebrate the end of Vacation Bible School with a Food Truck event on **July 1, 5:00-8:00 PM**. We are searching for folks to join us with the planning – beer sales, children's activities which will include inflatables, Welcoming table volunteers, live music, and clean up after the event. Many hands are needed to make this happen! Our church family and neighbors want to be back in community and what better way than to hold a Food Truck Friday! Please get in touch with Terry Hargrave (terryhargrave@hbpres.net) if you can help in any way!

Pill Drop Results

Good work, people. About a thousand pills, tablets and capsules were brought to the church the last two Sundays for disposal. These were old or unneeded medications that were taken to the St. Matthews police department and destroyed safely and securely. This was a success, and it takes pills out of our homes that could, through theft of various kinds, wind up in the wrong hands and/or for sale on the street. We will repeat this from time to time. In the meantime, the St Matthews police accept only solid forms of medications 9:00 AM to 5:00 PM Monday - Friday.

Earth Care Challenge

Can you figure out the meaning in the design made from construction paper and centered in the hall bulletin board? Each color represents something different that is part of the natural world. If someone gets it correctly, a \$15 donation will be made to the Presbyterian Mission Agency's Restoring Creation for Ecology & Justice program. This donation, made in your honor, will support tree-planting, carbon sequestration, and climate-friendly projects to help curb the impacts of climate change. Your name will also be published in Highlights and on the bulletin board, along with the answer! The deadline will be Sunday, May 22. Please send your responses via email to emilylbrown3804@gmail.com with the heading: Earth Care Challenge. It is OK for 2 people to work together.
