**Harvey Browne Closed May 23-28, 2022**

We have some major repairs to the buildings sewer line that will be done the week of May 23-28. Because of the nature of the repairs, there will not be any running water in the building and the bathrooms cannot be used. Any water that runs through the pipes could cause issues with the repair being done so we cannot have anything dumped down the sinks or fountains. Staff will be working from home so the best way to contact staff during this time is to send them an email. A list of staff and their emails can be found on our website: <https://hbpres.net/about-us/> If you have a pastoral emergency, please call (502) 208-8472 and leave a message. Christine will return your call as soon as possible.

**Blood Drive Thank You**

Many thanks to all for a great blood drive as we collected 26 good units. We also had 4 first time donors and 8 donors from the community who donated and stayed for Wednesday Night Dinner. The need for blood is constant and the HBPres community helped supply the need. We look forward to the next drive on July 13th which will be the "Summertime Sleeves Up" Blood Drive with food and fun!

### ***Bread for the World – 2022 Offering of Letters***

Our Offering of Letters will be held this year **today and Sunday, May 29**, in addition to two Wednesday evenings. There will be 5 sample letters, each dealing with a different theme related to hunger. Already, “The Global Malnutrition Prevention and Treatment Act” has been passed overwhelmingly by the House and is waiting to be introduced into the Senate. Therefore, we will want to focus on contacting Senators Mitch McConnell and Rand Paul. Please pick up a sample letter and information sheet, write a personal letter (a few sentences will be fine) and bring it back on May 29th. If you prefer to mail it from home, please contact [emilybrown3804@gmail.com](mailto:emilybrown3804@gmail.com) and let it be known a letter has been sent. This helps Bread for the World with their lobbying efforts.

Many hands are needed to make this happen! Our church family and neighbors want to be back in community and what better way than to hold a Food Truck Friday!
