

# Making a Difference

Harvey Browne Memorial Presbyterian Church Newsletter  
June 2023

## The Halls are Alive with the Sound of Music

Recently I had a couple of experiences that brought joy to my heart and hope to my spirit. Walking down the upstairs hall right before Sunday School I heard the voices of children singing. It wasn't the one of the popular tunes of the time or some other familiar children's song. No, it was an anthem that the Children's Choir had done a few months ago, "Keep Your Lamps Trimmed and Burning." And they weren't just softly humming it, it was being belted forth with great enthusiasm at the top of their lungs. A couple weeks later I experienced the same thing but this was after church and the song was "This Little Light of Mine."

It is nice to know that the time and effort your staff and volunteers invest in giving your children (and grandchildren) a faith based music education is actually making a difference.

We are truly blessed by the musical resources provided by the people of Harvey Browne. Singers, players, and ringers all join together to proclaim the faith through song — sung or played — and the halls of Harvey Browne resonate with the melodies music that are making a difference.

By the time you get this we will have moved on to our summer schedule and that means SUMMER CHOIR V.2023!!!

Yes, beginning Sunday, June 4, we will meet in the Sanctuary and prepare an Anthem for that morning's worship.

We don't wear robes.

No previous experience needed.

No commitment expected beyond the summer.

Music that can be learned in one short rehearsal.

Fellowship with some great people.

Hope you will join us this summer.

And I might hear you in the halls belting out those great tunes we learn at church. Let's keep the halls alive with the sound of music.

PSALM 107:1

## Guest Preachers this June

Beginning June 11, we will get the chance to hear from some of the incredible folks who worship with us each week in our pews. Walt McCanless, Mark Barnes, Meg Buckner, and Tim Cargal have all accepted the invitation to preach at Harvey Browne. Christine will still be in worship each Sunday and at the church during the week. Having these guest preachers will allow her and our other pastoral staff to engage in some continuing education opportunities, worship planning, and projects for the coming year.

## Faith on Film in July

Get ready for some fun this July as we explore themes of faith that can be found on film. Each Wednesday in July, we will gather in Eline Hall at 6:00 to have pizza and watch a movie together. That next Sunday, through scripture and music, we will explore themes of faith from the film. More details to come soon, but look forward to a fun month of faith and fellowship together.

## Summer Fridays

Harvey Browne Church will be Closed on Fridays in the Summer. Session approved closing the church on Fridays from June 16 through August 18. If you need to speak with a member of our staff, please be sure to contact them Monday-Thursday during regular office hours.

## Summer Choir Starts June 4

One of most meaningful musical traditions at Harvey Browne is the Summer Choir. Summer Choir provides an opportunity for anyone to come join us in the Sanctuary at 9:30 AM for a short rehearsal -we sing music that is easily accessible and can be learned in 30 minutes - that we then offer as a part of our 10:30 worship service.

We do not wear robes and after we sing we all leave the Chancel and go sit in the congregation. This gives you the chance to sit and worship with your family or friends. No previous choral singing is required. And, you do not have to read music.

Please come join us on June 4 as we "make a joyful noise unto the Lord."

## RIP Medical Debt

All members of churches in the Mid-Kentucky Presbytery are being asked to personally participate in a campaign to raise funds to eliminate the enormous burden of medical debt faced by fellow Kentuckians. This campaign is active now and will conclude on June 30. Every \$10 donation will result in the elimination of \$1,000 in medical debt! For additional information and YOUR opportunity to help visit <https://tinyurl.com/27yfbhu9>

## Pickle Ball

We now have a Pickleball Court in Emory Hall! Bring your own paddle if you'd like- however, we also have several paddles and balls you can borrow. Come find out how to put up our portable net and volley a few balls! We'll be in Emory Hall on Sunday from 1:00-3:00pm Starting on June 11. Hope to see you then! Portia Brittain & Scott Blake

## Beware of Call and Text Scams

If you have an email address or a phone, then you have most likely received a message that looks like it is from a friend, colleague, family member or business that states that they need help and are asking for money or gift cards. The messages are not from someone you know but from a stranger that is pretending to be someone you know to try and scam you into giving them money.

The latest version of this scam is to receive a text message on your cell phone from someone pretending to be a person you know and asking for help. Once you reply, they ask if you can buy gift cards for a good cause or to help with a program. The scammer will often state that they are too busy to do it themselves and that they are on a Zoom call and so ask you not to call them. They will then ask you to send you a picture of the back of the gift card or to text them the numbers. You can often tell a scammer from the person they are claiming to be by looking at the phone number or email address. Although the name may match, usually the email and phone number are not the same as the person you call. These text messages can also look like they are coming from a business. According to the Federal Trade Commission, “No real business or government agency will ever insist you pay them with a gift card. Anyone who demands to be paid with a gift card is a scammer.”

No staff member at Harvey Browne will ever ask you to purchase a gift card. If you are unsure if the email/text message you receive is real, look up the number in your contacts and call them or call the church office and ask. Scammers want to take advantage of your good nature and know that most people want to be helpful.

For more information on Text Scams read this article from the Federal Trade Commission:  
<https://consumer.ftc.gov/articles/gift-card-scams>

From *Protect Yourself and Loved Ones from Gift Card Payment Scams* (aarp.org):

In a 2022 AARP survey, 1 in 3 adults said they or someone they know had been asked at some point to purchase a gift card to pay a bill, fee or some other debt or obligation or to claim a prize. About one in four adults who were contacted reported they bought the cards, or approximately 13 million U.S. adults ages 18 and older.

Signs to watch for:

1. You're directed to buy one or more gift cards — often referred to as “electronic vouchers” — as a quick means of making payment.
2. You're told to share the numbers on the back of the gift cards, by reading them off or sending a picture.
3. The request comes from someone you wouldn't expect to ask for money this way:
  - A Social Security warning of a problem with your account
  - A utility company warning of an imminent shutoff
  - A lottery company promising a big prize — once you pay some fees upfront
  - A grandchild needing bail or facing another financial emergency.

## Summer Fun Tables of Eight Dinners

Summer Tables of Eight Dinners on Saturday evening, June 24 or Sunday evening, June 25. Enjoy a casual meal with church friends in the home of a church member. One person or couple opens his or her home for 6 to 8 guests and serves as host for the evening and provides the entree and beverages. The host contacts the assigned participants and they bring a side dish (such as a dessert, vegetable, salad, etc.). It is a great way to meet people at Harvey Browne. Sign up before June 7 to participate. To sign-up pick up a form at the Welcome Center in the Foyer or contact Joni Burke. Turn sign-up forms into the church office or the offering plate.

For more information or questions, contact Joni Burke at 502 291-3442 or [jonikburke@gmail.com](mailto:jonikburke@gmail.com)

## Harvey Browne Book Clubs

Everyone is welcome whether you have read the book or not. If you buy your book at Carmichael's and mention Bookanalia or Booktalk at Harvey Browne, you will receive 20% off.

### New Leaders for Bookanalia

Sarah Grant is passing on the leadership for Bookanalia to Nancy Pollock and Molly Pollock. Under the PW umbrella of programs, Bookanalia has been on-going since it was started as a book review club in 1984 when Ginny Copenhefer was moderator of Harvey Browne Presbyterian Women.

Leaders and participants have always included men and women and people who are members of Harvey Browne or not. It has recently been available both in person and on Zoom. The book review club is meant to be a place where you can come and find out about a book if you are curious and have not read it yet, and also for those who have read it and want an opportunity to come and discuss it.

Eight books are offered each year on the third Wednesday from September to November and January to May. The books are selected by a committee at the beginning of each summer and usually the schedule is available by late summer or early fall.

Sarah thanks some of the many people who have served on a Bookanalia committee and without whom the program would not be possible. Ginny Copenhefer, who died recently, continued to be active even after she left Harvey Browne. Wilma Bennett has been active from the start. Diana Stephen and Judy Laning have been involved for many years. Newer members on the committee are Marybelle Duff, Nancy Pollock, Molly Pollock, Alex Bumpas, Veda Pendleton and Carolyn Diener.

Thank you to all who have had a part in this wonderful program!

Bookanalia has finished for the season and will return in September. Hope you can join us then!

### Booktalk

Booktalk for Tuesday, June 27 at 11:30 in the living room and on Zoom will discuss *Becoming Nicole: the transformation of an American family* by Pulitzer Prize winning journalist Amy Ellis Nutt.

The book follows a family, schools and communities of identical twin boys from birth until they graduate from high school. Almost as soon as he can talk one announces he is a girl, not a boy, and introduces himself as Wyatt, a boy-girl. This very engaging book also includes chapters on how gender develops in the fetus and also autopsies on the brain. A prominent politician said this book was what helped him understand his grandchild. The library has several copies and Carmichael's has agreed to carry this for us.

When you mention Booktalk at Harvey Browne you will receive a 20% discount. Bring a sandwich and a drink and join us in the living room or on zoom for the discussion whether you have read the book or not. All are welcome.

### Congratulations!

Congratulation to the graduating class of 2023. We wish you luck in all your future endeavors!

Robby Lindsey is graduating from Trinity High School. Robby is the son of Bruce & Margaret Lindsey and the grandson of Earl & Marybelle Duff

Margaret Welch is graduating from North Oldham High School and plans to travel the world! Margaret is the daughter of Chris & Lora Welch, the granddaughter of Barbara Welch and the niece of Stacey & David Esterle.

## Parents' Day Out and Nursery Update

Another school year has ended, time flies when having fun. The children grew up with their peer groups by running in the gym, playing on the playground, singing songs, learning a prayer, listening to stories, learning to walk and talk and engaging in play this school year. Seeing these precious children come in with smiles and ready to be a part of our community made our school year.

Mrs. Kathy Williams is retiring this school year. Kathy has worked in the Preschool as a teacher and a music teacher for many years and then the PDO program for a total of 25 years! She has given so much of her heart, time, and music talents to these programs. She has touched the hearts of countless children and coworkers alike. Kathy will be missed, but it is time for her to be more with family and grandchildren. Being a member of Harvey Browne, of course, she will still be in the halls visiting us.

The PDO is still accepting enrollment for the upcoming school year starting August 29th. Please call 896-1791 ext. 119 or email [jrousseau@hbpres.net](mailto:jrousseau@hbpres.net) for more information.

The nursery is receiving a make over this summer! Thanks to Harvey's Helpers who are planning on painting the rooms. We will also be putting new flooring in. We are looking forward to an inviting space for so many of our little ones in the church. I would like to thank Katherine Kubar, Becca Harrison, Heather Drake, Kathleen Gilman and Allison Lockhart for their time and creativity dedicated to this space.

We have to say goodbye to Annabelle this summer as she will be attending the University of Kentucky this fall. She has worked for our nursery program for four years. She has loved working here and she will be missed. We will be introducing two new nursery workers very soon. It has been a very good year of growth and children building community with their peers. The children are excited to see each other on Sunday mornings and Wednesday nights. I'm grateful to be working with the PDO program (Parents, children, and staff) and the young children of the church along with nursery staff. They make this way more than a job.

Julie Rousseau  
Director of PDO/Nursery

## Trouble the Water, Presbyterian Disaster Assistance PCUSA

The Sharing Our Journey class recently completed the Trouble the Water series produced by PCUSA. We learned a lot from the videos and have had requests for other people to view the videos. This curriculum was produced in response to a General Assembly directive:

*"Trouble the Water: Conversations to Disrupt Racism and Dominance"* is a documentary series resource produced by the Presbyterian Church (U.S.A.) for communities and congregations to facilitate conversation and engagement around the issues of race and racism. As we struggle as a nation with these deep systemic and structural issues on a daily basis, we hope this series can be a resource to listen to one another, have difficult but honest conversations and collectively work together to disrupt structural racism.

*This project is the result of the collaboration across two Presbyterian Church (U.S.A.) agencies and several offices and initiatives as well as responding to General Assembly actions.*

## Notes from Session

The Session of Harvey Browne Presbyterian Church held a stated hybrid meeting on May 2. Following an opening prayer by Joni Burke the following business was handled:

- The following confirmands were welcomed into membership of Harvey Browne Presbyterian Church; Taylor Stewart, Donovan Hoert, Garrett Hoert, Micah Drake, Worth DeWees and Lia Krausen. Confirmation Sunday was May 14.
- Heather Drake presented plans for enhancing gathering places; foyer coffee cove and living room. Approved up to \$45,000 for the redecorating of these areas. The funds for redecorating is being supported by a gift from Robbie McFerrin in honor of her mother, Eva Bailey.
- Elected Maggie Chilton as Harvey Browne's Treasurer.
- Elected Anne Hughes as Clerk of Session,
- Approved the baptism of Isabel Kenley Noble-Creznic, daughter of Erin Creznic and granddaughter of George & Sandy Creznic on June 25, 2023.
- Jim Boswell and Anne Hughes will be commissioners to the May 22 Presbytery meeting
- Rev. Christine Coy Fohr gave her Pastor's report on the highlights on her work during March and April.
- Approved allowing tape to stripe the gym floor for pickleball. Congregational Life Committee will bring recommendation on playing pickleball to the next session meeting.
- Approved purchasing a Cub Cadet Zero turn mower. Our current mower is not operable; the purchase of the Cub Cadet is less than hiring a landscaping service.
- Approved putting aside the balance of \$104,850 in Facilities Reserve to be used for masonry repair.
- Doug Grogg was welcomed as our newly elected Ruling Elder.
- Next stated meeting will be June 20.

Anne Hughes, Clerk of Session

## A Letter from Larry and Inge Sthreshley, serving in Congo

Dear friends,

"What will endure?" That was the prevailing question throughout a recent farewell trip Larry took with IMA team members and representatives from the British government's Foreign Commonwealth & Development Office (FCDO) to the Kasai Central Province. The ASSR project, which stands for Support to the Health System of the Democratic Republic of Congo, ended on April 25th, 2022. It marks the end of nine years of health system strengthening support for two Congo Provinces by FCDO.

Dr. Eugénie Misenga is a dynamic woman and the director of the provincial health district of the Kasai Central. She commented that it was because of the training she received through FCDO when she was a health zone director that she was able to do her job. She stated, "Without that training, I would never have known the answers to the questions I was asked to get this job. I would not have this job and be serving this population." She regretted that FCDO and IMA World Health were leaving the province and thanked them for their assistance over all these years.

At the beginning of the project nine years ago, at the Kananga health center, they were only seeing 15–20 patients a month, but now the nurse proudly explained that they are seeing 860 patients a month. Larry and his team have worked to lower and standardize prices at all the health centers. In return, the health centers received a subsidy of medicines, equipment, and training from the project. Consequently more people could afford to seek care at the health centers because of lower prices and receive better treatment because the health centers are stocked with necessary medicines & equipment. Nurses had received regular training and supervision. This, in turn, created more demand. The utilization of health centers nine years ago was 34%; now, it is 71%.

When asked what would endure after the project, the response was consistently, "The good health centers that you built and the training we received. What we have learned will endure". Another nurse said explicitly, "Our nutrition program. You have taught us how to prevent and treat childhood malnutrition with local foods. We don't have to wait for an outside program to help us." Within three years since the project began, over 540,000 malnourished children have received five home visits by a trained community health volunteer and have recovered.

The number of children screened for malnutrition each quarter has increased from 21% in 2019 to an average of 92%. Approximately 1,500,000 children between six months and five years of age are being screened quarterly by community volunteers and members of the young mother support groups. Since 2019, the overall prevalence rate for acute malnutrition has dropped from 6.4% to 2.2 % in Nord Ubangi province, from 17.5% to 3.1% in Kasai Central and from a high of 13% to 7.2% in Kasai Province.

Although added later, the nutrition program has become one of the most impactful components of these projects! It is with mixed emotions that we have said goodbye to the people in the local organizations we have worked with; yet I know we have left them and the health center staff with the knowledge and the tools they need to continue in the challenge to lower malnutrition in the communities they serve.
