**Sharing Our Journey-** The PCUSA's Follow Me Curriculum is used to facilitate our small group discussions. We will spend four weeks pondering what it means to follow Jesus. For each of us, it will likely look different. Lesson 1 of our study guide will help us explore how the disciples responded to Jesus' invitation and ask us to think about how we respond to His invitation. Next, we will explore how Christian communities provide support, connection, and meaning. The third lesson challenges us to see through "the lens of love". The fourth lesson expands on being a disciple of Jesus and making disciples. If you have questions, or would like an Adult Participants Guide, you may contact Jane Doehnert, [jdonut@bellsouth.net](mailto:jdonut@bellsouth.net). Class meets in the Living room.

Sue Garrett will follow, teaching "A Theology of Money and Possessions" September 24—October 15. HB University meets in room 208.

**FRIENDS-** The FRIENDS class is a discussion-based class for folks who grew up while the show "FRIENDS" was in the height of its popularity.
