Today

One Great Hour of Sharing Offering Today - Around the world, millions of people lack access to sustainable food sources, clean water, sanitation, education, and opportunity. The work done in support of the causes supported by One Great Hour of Sharing (OGHS) — disaster, hunger, poverty, climate change, and immigration/migration and refugees — serves individuals and communities in need. This work provides people with safety, sustenance, and hope. Typically received during the season of Lent, this Offering helps to improve the lives of people in these challenging situations.
