# Making a Difference

Harvey Browne Memorial Presbyterian Church Newsletter  
February 2026

By the time February rolls around, we typically find ourselves in a familiar place, with the resolutions of the New Year faded, crumpled up, or “snoozed” for another month, season, or year. Star Words often step in where New Years resolutions have failed, replacing the harsh impositions to “organize!” “exercise!” and “eat healthier!” with more faith-rooted intentions like “generosity”, “gratitude” and “joy.” And yet, by February, even those Star Words may have gotten lost in the mix. And so, just one month into the year, we approach a new month, our footing unsure and our direction wide open.

Enter: the Season of Lent. While oftentimes we think of Lent as a sorrowful season, in its original form, it was quite the opposite. Lent was a kind of orientation for Christian living. It was a season where those who were new to the faith would learn and prepare for their baptisms on Easter. Think: a season of confirmation, but for the entire church. Unlike those hyper-personal New Year’s resolutions, Lent was intended to equip the community for faithful living in Christ’s name. And so, this year, that will be our focus.

Using the theme, “Tell Me Something Good” from *A Sanctified Art*, we will ground ourselves in the Good News. Studying Jesus’ life and ministry, we will cultivate that firm foundation so necessary for living the life of faith right now. We will consider what was central to Jesus’ life and ministry: themes like radical welcome, love for neighbor, care for the vulnerable, nourishment for the hungry, and nonviolence in the face of injustice.

*A Sanctified Art* reminds us that the Latin word for “radical” comes from the word “radicalis,” which means “root” or “ground.” This Lent, through worship, devotion, education and conversation, we will remember that following the radical way of Jesus can bring us back to our roots and help us offer “good news” in a world so overburdened by the bad.

We hope you will read through this month’s newsletter, finding ways to connect with one another throughout the week. Through it all, may we seek to be people shaped and led by the good news!

- Christine

HBU meets in the Session Room.

- **Sharing Our Journey** - We will continue to meet with HBU for the duration of Jeff Cover's class, and for Lent we will study *Meeting Jesus on the Road*.

## Meeting Jesus on the Road

We are delighted to celebrate the release of *Meeting Jesus on the Road*, a new Lenten study co-authored by our own Christine Coy Fohr, with Cynthia Campbell, plus a forward written by Ben Blake. This thoughtfully written book invites readers to walk with Jesus through the Gospel stories that shape his ministry, and our discipleship, calling us to follow, listen, question, and grow.

Designed as a journey from the First Sunday in Lent through Easter, *Meeting Jesus on the Road* blends Scripture, reflection, and meditative walking to deepen spiritual attentiveness and open our hearts to God's transforming presence in daily life.

Copies of the book are available at the church for \$10. All adult Sunday School classes will be studying *Meeting Jesus on the Road* during Lent. Get a copy and congratulate Christine, Ben, and Cynthia on this wonderful addition to our bookshelves and lives of faith!

We have been making our way through the book *Pilgrimage into the Last Third of Life* by Jane Marie Thibault. We are so excited to share that, thanks to Louise McKinney, author Jane Marie Thibault will be at our Deeper Connections meeting on February 12 to lead the discussion on the chapter “Savoring Your Life.” All are welcome to attend! ## Seeking Volunteers with Livestream, Audio, or Sound Experience

Our church is blessed to gather each week in worship, both in person and online. As our ministry continues to grow, we are looking to expand our Audio/Visual Team—and we need your help! We are specifically seeking individuals who have experience with livestream production, audio mixing, or sound equipment. Whether you've helped run services before, worked with tech in a professional capacity, or simply have a passion for media and a willingness to learn, we would love to hear from you. Our livestream and audio team plays a vital role in reaching people beyond our church walls—shut-ins, traveling members, and anyone seeking hope and encouragement. Your skills can help ensure that worship is accessible, uplifting, and high-quality for everyone. To learn more or volunteer, please contact the church office 896-1791.
