GET INVOLVED with Wellness programs

Taking care of ourselves is part of taking care of one another. Throughout the week, Harvey Browne offers opportunities to move, breathe, connect, and make space for wellness. From movement and fitness activities to opportunities for conversation and connection, these gatherings are a chance to step away from the busy pace of life and nurture your whole self.

Come as you are! Our wellness opportunities are open to all, and you don't have to be an expert. You are encouraged to try something new! The classes are free, but accept donations. Whether you're looking for a little movement, a moment of calm, or simply a welcoming community, there's a place for you at HB. Check the calendar for wellness offerings and join us when you can.
