Thank You Harvey Browne - The family of Bill Bliven would like to thank you for your love and kindness over the past several weeks. We have been surrounded by such a supportive community, and we are deeply grateful to the entire congregation. Your prayers, cards, food, and thoughts made a very challenging time easier for our entire family. We are incredibly grateful to each of you for helping us celebrate the life and legacy of Bill. This church meant so much to him, and the kindness demonstrated throughout this time shows just how much he meant to this church community as well.

Bread for the World Offering of Letters - This is the final Sunday for Harvey Browne's annual Bread for the World Offering of Letters. Following the drastic cuts of the past year, raising our voices on behalf of hungry people is even more important in 2026 than ever before. Stop by the table in the foyer following worship for the materials and information you need to write letters to your members of Congress. The Hunger Justice and Earth Care Ministries team will have background information and sample letters available. You can write your letters here today. You may also message your congressional members to support the efforts of Bread for the World through the QR code that appears to the right.

June Recital - This summer, Harvey Browne will be completing several important improvement and repair projects for both the sanctuary piano and pipe organ as part of our ongoing commitment to supporting music and worship at the church. The grand piano will receive detailed maintenance work to improve its touch, tone, responsiveness, and overall sound quality, while the pipe organ will undergo repairs and restoration work to help preserve the instrument and keep it functioning reliably for years to come. To celebrate the completion of this work, Harvey Browne will host a solo piano recital presented by Chris Harbeson-Borgelt on Sunday, **June 28** at 3:00 PM, offering an opportunity to hear the updated capabilities of the piano. Donations collected during the recital will benefit Sweet Evening Breeze, a local organization that supports LGBTQ+ young adults experiencing homelessness
